We act as a market maker, dealer, block positioner or arbitrageur in certain securities. These activities may put us or one of our affiliates on the opposite side of transactions we execute for you and potentially result in trading profits for us or our affiliates.

BofA Merrill Lynch Research is research produced by MLPF&S and/or one or more of its affiliates. Third party research ratings from selected vendors are provided, if available, for your information. Our providing these research ratings is not a solicitation or recommendation of any particular security. MLPF&S and its affiliates are not responsible for any third party research and have no liability for such research. You are responsible for any trading decision you make based upon third party research ratings and reports.

MLPF&S may make available to you certain securities and other investment products that are sponsored, managed, distributed or provided by companies that are affiliates of Bank of America Corporation (BAC) or in which BAC has a substantial economic interest.

Lending, derivatives, and other commercial banking activities are performed globally by banking affiliates of BAC, including Bank of America, N.A., member Federal Deposit Insurance Corporation (FDIC). Securities, strategic advisory, and other investment banking activities are performed globally by investment banking affiliates of BAC ("Investment Banking Affiliates"), including, in the United States, MLPF&S and Merrill Lynch Professional Clearing Corp., all of which are registered broker dealers and members of Financial Industry Regulatory Authority (FINRA) and

Securities Investor Protection Corporation (SIPC), and, in other jurisdictions, locally registered entities.

Investment products offered by Investment Banking Affiliates, including MLPF&S, ARE NOT FDIC INSURED, ARE NOT BANK GUARANTEED AND MAY LOSE VALUE.

Additional Information

We will route your equity and option orders to market centers consistent with our duty of best execution.

Except for certain custodial accounts, we hold bonds and preferred stocks in bulk segregation. If there is a partial call for those securities, securities will be randomly selected from those held in bulk. The probability of your holdings being selected is proportional to the total number of customer holdings of that particular security that we hold.

This statement serves as a confirmation of certain transactions during the period permitted to be reported periodically. Additional information, including the time of execution for any trade, is available upon written request.

In accordance with applicable law, rules and regulations, your free credit balance is not segregated and we can use these funds in our business. Your free credit balance is the amount of funds payable upon your demand. You have the right to receive, in the normal course of business, any free credit balance and any fully paid securities to which you are entitled, subject to any obligations you owe in any of your accounts.

For clients enrolled in a sweep program, the balance in any bank deposit account or shares of any money market mutual fund in which you have a beneficial interest can be withdrawn or liquidated on your order and the proceeds returned to your securities account or remitted to you.

You will have the right to vote full shares and we may solicit voting instructions concerning these full shares in your account. Voting shares in your account will be governed by the then current rules and policies of FINRA and the Securities Exchange Commission or other applicable exchanges or regulatory bodies.

All transactions are subject to the constitution, rules, regulations, customs, usages, rulings and interpretations of the exchange or market, and its clearinghouse, if any, where the transactions are executed, and if not executed on any exchange, FINRA.

You may obtain an investor brochure that includes information describing the FINRA Regulation Public Disclosure Program ("Program"). To obtain a brochure or more information about the Program or your broker contact the FINRA Regulation Public Disclosure Program Hotline at (800)289-9999 or access the FINRA website

at www.finra.org

We receive a fee from ISA® banks of up to 2% per annum of the daily balances. We receive a fee from our affiliated banks of up to \$100 per annum for each account that sweeps balances to the banks under the RASP and ML bank deposit programs. We also receive a fee from Bank of America, N.A. based on the average daily Preferred Deposit® balance.

Options Customers

For all customers, including those who own options, please promptly advise us of any material change in your investment objectives or financial condition. Individual options commission charges have been included in your confirmation. You may request a summary of this information.

Margin Customers

If this statement is for a margin account, it is a combined statement of your margin account and special memorandum account maintained for you pursuant to applicable regulations. The permanent record of the separate account, as required by Regulation T, is available for your inspection upon request. You should retain this statement for use with your next statement to calculate interest charges, if any, for the period covered by this statement. The interest charge period will parallel the statement period, except that interest due for the final day of the statement period will be carried over and appear on your next statement.

Coverage for your Account

SIPC and our excess-SIPC insurance policy do not cover commodities futures contracts, fixed annuity contracts, hedge funds, private equity funds, commodity pools and other investment contracts (such as limited partnerships) that are not registered with the US Securities Exchange Commission, precious metals, other assets that are not securities, as defined by SIPC, and assets that are not held at MLPF&S, such as cash on deposit at ML affiliated banks, Bank of America, N.A. or Bank of America California, N.A. or other depository institutions. Those bank deposits are protected by the FDIC up to applicable limits. MLPF&S is not a bank and FDIC deposit insurance only covers the failure of an FDIC-insured bank. Unless otherwise disclosed, INVESTMENTS THROUGH MLPF&S ARE NOT FDIC INSURED, ARE NOT BANK GUARANTEED AND MAY LOSE VALUE. To obtain information about SIPC, including the SIPC Brochure, contact SIPC at <http://www.sipc.org> or (202)371-8300.

Fixed Income Securities

Values on your statement generally are based on estimates obtained from various sources and in certain cases only from affiliates. These values assume standard market conditions, are not firm bids or offers and may vary from prices achieved in actual transactions, especially for thinly traded securities. These values are generally for transactions of \$1 million or more, which often reflect more favorable pricing than transactions in smaller amounts. You may pay more than these values if you purchase smaller amounts of securities, or receive less if you sell smaller amounts of securities.

Prices and Valuations

While we believe our pricing information to be reliable, we cannot guarantee its accuracy. Pricing information provided for certain thinly traded securities may be stale.

Values on your statement generally are based on estimates obtained from various sources and in certain cases only from affiliates.

Investments such as direct participation program securities (e.g., partnerships, limited liability companies, and real estate trusts which are not listed on any exchange), and alternative investments (e.g., commodity pools, private equity funds, private debit funds, and hedge funds) are generally illiquid investments. No formal trading market exists for these securities and their current values will likely be different from the purchase price. Unless otherwise indicated, and except for certain alternative investment funds sponsored by affiliates of MLPF&S, the value shown on this statement for an investment in these securities has been provided by the management, administrator or sponsor of each program or a third-party vendor, in each case without independent verification by MLPF&S. The values shown may not reflect actual market value or be realized upon a sale. If an estimated value is not provided, accurate valuation information is not available.

Cost Data/Realized Capital Gains & Losses

Cost Data and Realized Capital Gains/Losses are provided in this statement for informational purposes only. Please review for accuracy. Merrill Lynch is not responsible for omitted or restated data. Please consult your tax advisor to determine the tax consequences of your securities transactions. Your statement is not an official accounting of gains/losses. Please refer to your records, trade confirmations, and your Consolidated Tax Reporting Statement (Form 1099).

Insurance Policies and Annuity Contracts

Information is based on data from the issuing insurer. We are not responsible for the calculation of policy/contract values. Insurance policies and annuity contracts are generally not held in your MLPF&S account. If we, as custodian or trustee, hold an annuity contract that is a security, SIPC and excess-SIPC coverage apply.

Estimated Annual Income and Current Yield

Estimated Annual Income and Current Yield for certain types of securities could include a return of principal or capital gains in which case the Estimated Annual Income and Current Yield would be overstated. Estimated Annual Income and Current Yield are estimates and the actual income and yield might be lower or higher than the estimated amounts. Current Yield is based upon Estimated Annual Income and the current price of the security and will fluctuate.

Market-Linked Investments (MLI)

MLIs are debt securities or Certificates of Deposit linked to an underlying reference asset. They are reflected on your statement by their underlying reference asset – equities (e.g., stocks, ETFs, equity indices), alternative investments (e.g., commodities, currencies), or fixed income (e.g., interest rates). This classification method illustrates your asset allocation.
